If you decide to
use stabilizer
during storage,
fill the tank

Download Ebook Engine

and add the recommended amount of stabilizer for the amount of fuel that you have in the tank. Run the engine for about 10 minutes to allow most of the old fuel to leave the carburetor. If

Download Ebook Engine

you don't run
the engine, the
stabilized fuel
won't get into
the carburetor
so it can't do
its job.
