Some Came Running is a novel by James Jones, published in 1958. It was Jones's second published novel, following his award-winning debut From Here to Eternity. It is the story of a war veteran with literary aspirations who returns in 1948 to his hometown of Parkman, Illinois, after a failed writing career. It is a thinly disguised autobiographical novel of Jones's experiences in his hometown of Robinson, Illinois, immediately after returning from World War II. The title is taken from the Gospel

Jones worked on "Some Came Running" for six years and must have been devastated at the furious attacks on the novel, which essentially condemned it to a brief life. It's been out of print for decades, until now, and although I think the book should be published in its complete form I am grateful that it's around again.

After the blockbuster international success of *From Here to Eternity*, James Jones retreated from public life, making his home at the Handy Writers' Colony in Illinois. His goal was to write something larger than a war novel, and the result, six years in the making, was *Some Came Running*, a stirring portrait of small-town life in the American Midwest at a time when our country and its people were striving to find their place in the new postwar world.

*Some came running* has excellent characters in Dave and Frank Hirsch- in fact all the characters in the story are well drawn. Such a pity James didn't write many more novels. As a writer myself I fully appreciate the language and pace James Jones could achieve. To his daughter I say- "Well done." Jack Scoltock

In "Some Came Running" James Jones, author of "From Here to Eternity", takes a seemingly personal and at times depressing look at the dark side of veterans returning home after WWII.

### **Some Came Running by James Jones - Goodreads**

Jones also used the image of running to begin the novel's prologue, as Dave Hirsh remembers German soldiers attacking during the Battle of the Bulge; "They came running through the fog across the snow, lumbering, the long rifles held up awkwardly high . . . " See more ».

### **Some Came Running (1958) - IMDb**

His second published novel, *Some Came Running* (1957), had its roots in the abandoned first effort. In contrast to *Eternity*, it was savaged by critics. They were especially harsh about the frequently misspelled words and punctuation errors; they didn't recognize that such elements were a conscious style choice by Jones to evoke the provinciality of the novel's characters and setting.
