Great book with less anatomy and more form - Complete Guide to Life Drawing Book Having
bought a book on anatomy for artists, I got very bogged down with bones and muscles and
found my drawings were still quite flat and lifeless. This book is more about form and the
process of building a 3D structure.

Artist ' s Proof comes from a historical practice of a publisher giving the artist one or more prints of an edition to sell as payment for their work. Though today artists get paid for their editions, the tradition has continued and a set amount of impressions are put aside for the artist; usually annotated " A.P. " or " E.A. " (Epreuve d ' artiste).
